write yo questic here	ur there is no other way to do what?	what does failing mean?	What happens if I fail backwards?	what is failure?	Why?			write your question here	What does it mean to be afraid of failure?		Is it better to fail when running, flying or swimming?	How many times should one fail?	Whys do we have to question this?		Failure?	WTF is failing forward?	Can any philosopher explain this?	Failure is not an option, is it?	How can you learn from failure?	Failure is just that, failure! Right?	Who are we inspiring to fail forward?	What is the other way?	d area Another way to	Is it easier?	Really, who cares?
why do v need to fail?	ve what do we learn by failing?	How can we use failing as a positive connotation?	why did the topic have to be centred around failure?	Who says that?	Way for what?	What if there was a another way?		Can we make failure fun?	how do we fail with resilience?	How can we use failing as a positive connotation for life?	ls failing always painful?	Who is to blame for?	In which other directions can we fail?			just another meta buzzword?	What if I develop you some tools to fight failure?	Do heroes ever fail?	Can you fail as long as you try?	I am hereo, is failure also for me?		other way.	what? What if?	Is it any kind of ancient	Is it easy to find the
Why do wineed to fail?	Ve Why failing is the answer to move forward?	what is forward?	why do you have to always learn from failure?	is failure accepted?	how come can failure move you forward? <br style="user- select: auto;"></br 	why has failure to always be explained?	Y	Yes, how do we define failure?	How do we fail without hurting ourselves? <br style="user- select: auto;"></br 	How can we normalize the concept of failing?	how do we define failure?	How do we make failure become positive?	Is only by failing that we learn?			now other way? That's a challenge!	It's ok you will learn and grow	Is it a better way?	It is the way to go?	Would failure affect my superpower?	Which target group are we influencing?	Are you s***n me?	How do we move forward?	knowledge? Should I bother?	other way? How many other ways
	is there a as way for not failing?														It's how we learn to walk?	lt's a process	Why there aren't any other ways?	Who cares?	What we can learn from them?	Can it help walk through a wall?	why would I glorify failure?		forward?		
How do w control falli forward inst of sidewase backward	Why is ther ad not another or way?	Why is it said 'fail forward'?	Is failing is apart of experiencing new things?	are you in fear of failure?	Why fail?	Is this scary?		are not just talking about learning?	How can we stop fearing about failure?	why everything here has to be so meta?	doesn't failure sound very final?	How do we destigmatise failing?	Do organisations tolerate failure?		As role models how do we handle failure	How can we handle failure i		How can we learn from failing?	can we really innovate without mistakes?	So what?			How many other ways?		
	Can you r give me an example?											How do we destigmatise failing?			Superman would ask why not leap over your obstacle?	Did I teach you enough?	Who gives a sh*t?	l won't let you fall	Are you happy?	Did I ever say that you were failing?			unsure	Is the other way	Is the other
how can failure	What are the other ways of moving forward?	f When i	When is it considered to be a failure?	Failing hurts our ego. How do we fail and not hurt ourselves?	Who decides if this is failing?	What if you are not failing?			do we need a direction?		Is failing excited to your life?	how is nature failing?	How can we allow for failure from a young age and to continue?		Why do we fail forward , when we can succeed forward? - Joker	What more do you want me to learn?	Who put you up to this?	How can we handle failure in the public eye/ public crowd?	Where does this come from?	More ingriedents means more failure?	Who are the kind of people who look forwed to failure?	Really?	But why???	Is the other way	
Has you mother to you so?	r Id	what is failing forward?		what other ways of moving forward are there?		How much fun can learning be?			what does failing mean?		Can you share what is the most failing in your life?		Will this be the popular message?			Batman would look down his nose at the silly fail people		To publicly fail in front of others, how do we overcome it?						is there only one	so you mean failure is
	Can you empathize with someone who fails?	How do you feel when you failing?	what is the best time to fail?						do we always need quantity?	what if my first question is the best?	how do I know when to stop?	how would be a model for a failing process?			Do you really think failing and succeeding helps?	Don't you think the experience is more imp?	What is fail, fail is what? - Joker	Did you fail? Do smile- Joker				Do we really need another		other way:	final?
					fail or not, this is the question, or not?				should we stop calling it failing?	if you want to protect someone from failing, how can you teach them this?					lf you're going to fail, make sure you learn from it!			and if we would do it in the opposite way?				way?			Why does this make me sad?
what doe forward mean?	es who are 'we'?	how do we define failure?	how do we capture what we learn?	what are we doing with what we learn?	why do we always do our sessions on Zoom?	how do we know what subjects to do a wwj session about?										being in the moment makes you happy. Does this help?									
how might increase c failure so can lear more?	we ur /e																								
			how do we define failure?																						
					failing forward accomplishes what?																				
														What makes this the only way?											
					What makes this the only way?	The only way to where?																			
	is there no other way?	do we fail in a safe space?		why can't we learn by succeeding?																					
how do v measur this?	/e e																								
	(
			do we need a safe space to fail?		What do you mean with failing forward?																				

<u>Failing forward, there is no other way</u>

ite twist Favourite question Ways to find answers there is another way Unnar **DROP YOUR POST-IT HERE** What does success life? Who
decides if
you 'fail' or
succeed?Can we fail
forward to to
find another
way?should I nc
fail? Can we win in the What next. How can you Do you think Is the other move different How to Another think out of what? way to

Tips & Tops

amed a	rea			
iling kshops	reading about it	trying different options	asking for expert advice	find the right person to ask it from
te that space	exploration	learn from others failures	Define what is failure by reflecting and evaluating with others	If we learn to live in present, we will learn from our failures.
nnect n like- nded viduals	Mentoring	Articles	learn together	Empathy
ng by ng	coming up with other options to try	Post on Social media & see reactions	Mailing campaign asking for answers	copy - adapt
e play, ulation	Researching	Contextual inquiry	Estimate the impact	#hashtags asking for reflections
ociological rchological anizational) n has been a this topic?	Share feelings with others openly	read up on similar topics	Survey	looking to other fields
eed a pose	I need to understand the people I work with or for	I need to understand the Context	Ask an expert	Talk to therapist
ed to e a safe ce for nest dback	Talking to an eminent personality	try and error	viral videos	Gather a great group to do it with
experts b have arched re and irning	ask elementary school teachers	learn to be vulnerable	look to other cultures	games
eak to entors, cest and all the me		Journalling / gratitude journal	Counselling sessions	Just experience
pathy erience	invest money in experiments, use the power of markets to test and learn	Learn meditation and mindfulness	motivational quotes	let it be
		empathy and compassion workshop		

Unnamed a this method feels like only scratching a surface	The freedom to be creative	l like that it was dynamic	l would have different themes	I want to interact with people
helped to get to and ask the 'right' question	great theme to work with	I would give examples before the activity	the cues can be better	I really liked this and have many uses for it, than you!
Question storm helps not to overthink your questions	the successive rounds helped to clarify the th thought process	Interesting that we did not speak	very liberating approach	It can help to achieve a new perspective and frame a toppic
remove the areas in the mural	Liked how questions prompt us to the answers	Battlled a bit with Mural which distracted me a bit from the main task	I need more time to think	Maybe time to go over what was written a bit
delete unused stickes after each activity (makes it easier to scan)	i don't see any learning from each other	Less time	Felt like playing rather than working. Really fun.	I would start my activity with a initial goal in mind
would be nice to have someone group similar questions		I like how we can ask unlimited amount of questions in a short period of time	I love that we collaborate without speaking	THis is a good option for a brainstorm
I like how it built up and we explored different ways of generating questions	felt like the question was hard to work with, but not sure another question would be better	Enjoy not being in a break out room, and openly work with everyone!		Think that conversation at the end would be great
Improve ways to co- learn		more time but I like the speed	t ime to collect the end result. The how post-its	
would like to know something about difference between question storming and brainstorming/ ideation	Frustrations with mural. People Keep writing over my text! Answer keeps disappering.	Enjoy individually collaborating together	Please do question storm every month but different topic	l like randomly
			Sometimes it's look aggressive when ask the question , do you have solution for this ?	How to feel confident to ask question?
